This project is to create the [gravity form and below area](#) only. For the bottom area, you have the option to use [WP-Table Reloaded](#) Plugin so that editing the Phone numbers, Mailing Address, Department Contact, etc will be easier for the client. If you have a better method, let us know.

**Header, Footer, and Sidebar have ALREADY been done. Do not alter.**

CSS should be placed in "THEME A" childtheme.

AFTER completion of "THEME A", go to dashboard and switch to [THEME B](#))

CSS for the page should be placed in "THEME B" childtheme,
